

The Best Little Whorehouse in Texas

The Chicken ranch, known as the bordello with a heart, had been allowed to operate for generations in Gilbert, Texas, without legal interference. Miss Mona, the madam with principles, treats her girls well and insists they do the same for their gentlemen "guests." Her friend Sheriff Ed Earl Dodd feels increasing pressure to close down what he perceives as a clean operation. The antics of obnoxious TV muckraker Melvin P. Thorpe serve to fire up public indignation and bring down word from the sidestepping governor in the state capital to force the beloved bawdy house out of business.

Long-time patron Senator Wingwoah has promised his favorite football team, the Texas Aggies, a night out at Miss Mona's if they beat their arch rivals, the Texas State Longhorns, in the season's final game on Thanksgiving Day. In their exuberance, the winning Aggies do a show-stopping dance in the locker room.

The subsequent raid that brings about the shutting down of the house is a comedy gem, and a sentimental departure of the girls showing their affection for Miss Mona is the story's bittersweet ending.

"Whorehouse" is in no way a paean to prostitution but a broadly funny satire on political hypocrisy and moral midgetry. Its lavish musical numbers and superb choreography entrenched the show for a long Broadway run as a delightful crowd pleaser that still enjoys critical acclaim.
